Advice 4088-G/5522-E

(Pacific Gas and Electric Company ID U 39 M)

Public Utilities Commission of the State of California

Subject: Expansion of Baseline Territory Q Pursuant to Decision 18-08-013

Purpose

Pacific Gas and Electric Company (PG&E) submits this advice letter to update the boundaries of Baseline Territory Q pursuant to Decision (D.)18-08-013. In this advice letter, PG&E has included the revised tariffs as Attachment 1.

Background

PG&E is submitting this advice letter to slightly expand the boundary for Baseline Territory Q pursuant to D.18-08-013 in Pacific Gas and Electric Company's 2017 GRC Phase II proceeding. The Residential Rate Design Settlement Agreement adopted by D.18-08-013 included a provision to expand Territory Q to include additional customers from the San Lorenzo Valley in Santa Cruz County. In advice letter 5444-E for electric rate changes effective on January 1, 2019, PG&E indicated that this change to the boundary for Baseline Territory Q would be implemented by May 1, 2019. Accordingly, in this advice letter PG&E is submitting revised Electric Preliminary Statement Part A, Description of Service Area and General Requirements, and Gas Preliminary Statement Part A, Description of Service Area and General Requirements, for the revised boundary for Territory Q.

Tariff Revisions

The revision in Baseline Territory Q is provided on Sheet 2 in both preliminary statements and is limited to a change to Santa Cruz County. Specifically, Baseline Territory Q is expanded to include customers in specific zip code areas who are located at elevations less than 1,500 feet. Affected customers will be changed to Territory Q beginning with their first billing cycle on or after April 25.

In addition, PG&E is revising the second footnote (**) on sheet 2 of Gas Preliminary Statement A, to clarify that PG&E may not currently provide gas service to the baseline

territory within that particular area of the county and not necessarily that specific baseline territory within all of PG&E service territory.

For the Commission's convenience, redline revisions of the tariff sheets are provided as Attachment 2.

Protests

Anyone wishing to protest this submittal may do so by letter sent via U.S. mail, facsimile or E-mail, no later than May 1, 2019, which is 20 days after the date of this submittal. Protests must be submitted to:
