Advice 4120-G/5590-E

(Pacific Gas and Electric Company ID U 39 M)

Public Utilities Commission of the State of California

Subject: Addition of Ridgecrest Earthquake to the Emergency Consumer Protection Plan in Compliance with Decision 18-08-004.

Purpose

In compliance with Decision (D.)18-08-004, Pacific Gas and Electric Company (PG&E) is adding the customers affected by the July 2019 Ridgecrest Earthquake to PG&E's Emergency Consumer Protection Plan, thereby making these customers eligible for the measures under this plan. The inclusion of these customers to PG&E's Emergency Consumer Protection Plan is in response to Governor Newsom's declarations of a State of Emergency on July 4 and July 5 for Kern and San Bernardino Counties respectively.

Background

PG&E established a series of billing and service modifications, and disaster relief to support customers recovering from the immediate aftermath of the October 2017 Northern California Wildfires.¹ The measures included in PG&E's Emergency Consumer Protection Plans were adopted in Advice 3914-G-A/5186-E-A, effective December 22, 2017 in compliance with California Public Utilities Commission (CPUC or Commission) Resolution M-4833, *Emergency Authorization and Order Directing Utilities to Implement Emergency Consumer Protections to Support Residential Customers of the October 2017 California Wildfires*.

On August 9, 2018, the Commission issued D.18-08-004 that affirms that the emergency customer protections adopted in Resolutions M-4833 and M-4835 to support residential and small business customers of utilities affected by disasters and which affect utility service shall go into effect in the event of a state of emergency declared by the Governor of California. Ordering Paragraph (OP) 2 of D.18-08-004 requires that in the event the Governor of California declares a state of emergency, PG&E shall submit a Tier 1 Advice

¹ Advice 5168-E and Advice 3914-G-A/5186-E-A

Letter within 15 days of the Governor's state of emergency proclamation reporting compliance with Resolutions M-4833 and M-4835 pursuant to this Decision.

On September 7, 2018, PG&E submitted Advice 4014-G/5378-E - *Expansion of Emergency Consumer Protection Plan to Support Residential and Non-Residential Customer Affected by Disasters in Compliance with D.18-08-004*, which the Commission approved on October 11, 2018.² In Advice 4014-G/5378-E, PG&E extended the applicability of its Emergency Consumer Protection Plan to cover residential and non-residential customers in areas where a state of emergency proclamation is issued by the Governor of California due to a disaster that affects utility services. In addition, PG&E revised the Emergency Consumer Protection Plan to include all emergency consumer protection measures currently being provided to PG&E's customers during these times of hardships.

On July 4, 2019, a magnitude 6.4 earthquake centered near the City of Ridgecrest struck PG&E's service territory. This was followed by a 7.1 earthquake that occurred in the same vicinity on July 5, 2019, resulting in additional damage. In response to the earthquakes, Governor Newsom issued a State of Emergency on July 4, 2019 for Kern County and issued another State of Emergency on July 5 for San Bernardino County.

In compliance with OP 2 of D.18-08-004, PG&E is seeking in this advice letter to extend the eligibility of PG&E's Emergency Consumer Protection Plan to include residential and non-residential³ customers affected by the Ridgecrest Earthquake. Eligibility for PG&E's Emergency Consumer Protection Plan will be extended to applicable customers within Kern and San Bernardino Counties for a period of one year commencing from the date the State of Emergency proclamation was issued, or until PG&E service is restored⁴.

Tariff Revisions

PG&E proposes the following revisions to its gas and electric tariffs:

- **Electric Rule 1, *Definitions*** – Extend definition for “Emergency Consumer Protection Plan” to include applicable customers affected by the July 2019 Ridgecrest Earthquake.
- **Electric Preliminary Statement Part HG, *Emergency Consumer Protections Memorandum Account - Electric (ECPMA-E)*** – Extend

² In its disposition letter, the Commission indicated an effective date of October 7, 2018.

³ Non-residential customers include any customer that is not residential (e.g. commercial, industrial, agricultural, etc.)

⁴ See D.18-08-004, Conclusion of Law 3: “The period of time for which the protections apply shall be consistent with the determinations held in Resolutions M-4833 and M-4835, or until utility service is restored.”

“Purpose” section to include applicable customers affected by the July 2019 Ridgecrest Earthquake.

- **Gas Rule 1, Definitions** – Extend definition for “Emergency Consumer Protection Plan” to include applicable customers affected by the July 2019 Ridgecrest Earthquake.
- **Gas Preliminary Statement Part EC, Emergency Consumer Protections Memorandum Account - Gas (ECPMA-G)** – Extend “Purpose” section to include applicable customers affected by the July 2019 Ridgecrest Earthquake.
