Advice 4616-G

(Pacific Gas and Electric Company U 39 G)

Public Utilities Commission of the State of California

Subject: Schedule G-CPX -- Crossover Gas Procurement Service to Core End-Use Customers for Rates Effective June 10, 2022

Pacific Gas and Electric Company ("PG&E") hereby submits for submittal revisions to its gas tariffs. The affected tariff sheets are listed on the enclosed Attachment 1.

Purpose

The purpose of this submittal is to revise monthly crossover rates under Schedule G-CPX--*Crossover Gas Procurement Service to Core End-Use Customers*, effective **June 10, 2022**. Schedule G-CPX crossover rates change on a monthly basis on the tenth calendar day of each month.

Background

In accordance with Decision ("D.") 03-12-008, Schedule G-CPX applies to gas customers that request to be reclassified from noncore to core status. Such customers will pay the applicable crossover procurement rate under Schedule G-CPX for the first twelve (12) regular monthly billing periods during which they take core gas procurement service from PG&E. Crossover customers will pay the customer charge and transportation charge as specified in their applicable core schedule. After the twelfth regular monthly billing period, Schedule G-CPX will no longer apply.

Per Advice Letter 4338-G, approved February 12, 2021, PG&E is revising the G-CPX – Crossover Gas Procurement calculation.

Schedule G-CPX Rate

As adopted in D.03-12-008 and revised by Advice Letter 4338-G, the crossover rate is the higher of: (1) the posted monthly core procurement rate, including backbone transmission volumetric charges, as shown in Schedule G-CP; or (2) the higher of the Monthly Malin Index or the Monthly SoCal Border Index, plus the per unit cost of backbone transmission volumetric service included in the posted monthly procurement rate, the core

brokerage fee, an allowance for core in-kind shrinkage per gas Rule 21, and all other procurement rate components included in the posted monthly core procurement rate. The crossover procurement rates reflect only the higher of the core weighted average cost of gas ("WACOG"), the Monthly Malin Index or the Monthly SoCal Border Index (both including the per unit cost of backbone transmission volumetric charges), with other procurement costs equivalent to those for otherwise-applicable core procurement rates.¹

For the period from **June 10, 2022, through July 9, 2022**, the following Schedule G-CPX rates will be in effect:

<u>Schedule G-CPX Rates</u>	<u>Per Therm</u>
Small Commercial Customers (Schedule G-NR1)	\$1.01208
Large Commercial Customers (Schedule G-NR2)	\$0.97103
Natural Gas Vehicle Customers (Schedule G-NGV1)	\$0.96626

Workpapers showing the calculation of these rates are included in this submittal as Attachment 2.

Protests

Anyone wishing to protest this submittal may do so by letter sent electronically via E-mail, no later than **June 28, 2022**, which is 20 days after the date of this submittal. Protests must be submitted to:

CPUC Energy Division
ED Tariff Unit
E-mail: EDTariffUnit@cpuc.ca.gov

The protest shall also be electronically sent to PG&E via E-mail at the address shown below on the same date it is electronically delivered to the Commission:

Sidney Bob Dietz II
Director, Regulatory Relations
c/o Megan Lawson
E-mail: PGETariffs@pge.com

¹ The shrinkage rate component included in the monthly Schedule G-CPX rates will be calculated based on the higher of the WACOG, the Monthly Malin Index or the Monthly SoCal Border Index, using the same methodology used for calculating the shrinkage component in monthly core procurement rates.

Any person (including individuals, groups, or organizations) may protest or respond to an advice letter (General Order 96-B, Section 7.4). The protest shall contain the following information: specification of the advice letter protested; grounds for the protest; supporting factual information or legal argument; name and e-mail address of the protestant; and statement that the protest was sent to the utility no later than the day on which the protest was submitted to the reviewing Industry Division (General Order 96-B, Section 3.11).

Effective Date

In accordance with D.03-12-008, PG&E requests that this advice submittal become effective on **June 10, 2022**. The rates in this advice submittal shall remain in effect until the next such submittal with the Commission.

Notice

In accordance with General Order 96-B, Section IV, a copy of this advice letter is being sent electronically to parties shown on the attached list. Address changes to the General Order 96-B service list should be directed to PG&E at email address PGETariffs@pge.com. For changes to any other service list, please contact the Commission's Process Office at (415) 703-2021 or at Process_Office@cpuc.ca.gov. Send all electronic approvals to PGETariffs@pge.com.
