**Advice 4671-G**

(Pacific Gas and Electric Company ID U 39 G)

Public Utilities Commission of the State of California

**Subject: Advice Letter for Approval to Enter into Gas Storage Contracts**

**Purpose**

Pacific Gas and Electric Company's (PG&E) Core Gas Supply Department (CGS) requests California Public Utilities Commission (Commission) approval to enter into two gas storage contracts (proposed contracts). The proposed contracts are necessary for PG&E to comply with the requirements of its 1-cold-day-in-10-year Reliability Standard adopted in Decision (D.) 06-07-010 and the 2019 GT&S Final Decision (D.19-09-025). In order to meet the core demand component of the system Reliability Standard, D.19-09-025 authorizes CGS to acquire reasonably priced firm storage services from Independent Storage Providers (ISPs) in addition to that furnished by PG&E's own storage facilities.

**Background**

PG&E followed the procedures described in Appendix I of D.19-09-025<sup>1</sup> for obtaining gas storage services from ISPs in order to meet the 1-cold-day-in-10-year Reliability Standard for core customers. The Appendix I procedures are based on the procedures that were adopted in D.06-07-010 and D.04-09-022, as modified by D.06-10-035.

PG&E conferred with Public Advocates Office (PAO) and The Utility Reform Network (TURN) regarding all storage offers from the competitive Request for Offer process and received PAO's and TURN's concurrence for the proposed contracts in compliance with the procedures outlined in Appendix I of D.19-09-025. Along with the PAO and TURN's concurrence, and per D.19-09-025, PG&E is authorized to submit a Tier 1 Advice Letter seeking Commission approval of the proposed contracts with an effective date of the advice letter submittal date.

---

<sup>1</sup> D.19-02-025, Appendix I, p. 2.

**Description of Contract**

The terms of the proposed contracts are confidential<sup>2</sup> and are described in Confidential Appendix A and Attachments 1 and 2. Confidential Appendix A and Attachments 1 and 2 are submitted to the Energy Division, Legal Division, PAO, and TURN pursuant to the attached confidentiality declaration dated October 21, 2022. The public version of this Advice Letter is provided to the service lists for A.05-03-001 and A.13-12-012.

The proposed contracts will be utilized by PG&E's CGS for its bundled core gas supply customers. The proposed contracts will not be allocated or assigned to Core Transport Agents. All costs associated with the proposed contracts will be recovered from PG&E's bundled core gas customers through PG&E's Purchased Gas Account and through PG&E's gas tariffs.

This submittal would not increase any current rate or charge, cause the withdrawal of service, or conflict with any rate schedule or rule.

**Protests**

Anyone wishing to protest this submittal may do so by letter sent electronically via E-mail, which must be received no later than November 10, 2022, which is twenty (20) days from the date of this submittal, in accordance with the protest period authorized in D.19-09-025.
