Advice 4743-G-A/6918-E-A

(Pacific Gas and Electric Company U 39 M)

Public Utilities Commission of the State of California

Subject: Supplemental: Pacific Gas and Electric's 2022 Unspent and Uncommitted Energy Efficiency Funds Applicable to AB 841 Schools Energy Efficiency Stimulus Program.

Pacific Gas and Electric Company (PG&E) hereby submits this supplemental filing to update its 2022 Unspent and Uncommitted Energy Efficiency Funds Applicable to Assembly Bill (AB) 841 Schools Energy Efficiency Stimulus Program. The updates to this Advice Letter (AL) include corrections to statewide program expenditures and interest accruals which result in an increase in PG&E's 2022 unspent and uncommitted amount of approximately \$39,000 from the amount included in Advice 4743-G/6918-E. This supplemental advice letter replaces original advice letter 4743-G/6918-E in its entirety.

Purpose

In accordance with Ordering Paragraph (OP) 3 of Decision (D.) 21-01-004, PG&E hereby submits to the California Public Utilities Commission (CPUC or Commission) this AL to detail its 2022 unspent and uncommitted energy efficiency funds for AB 841 Schools Energy Efficiency Stimulus Program.

Background

Decision (D.) 21-01-004 established directions to the investor-owned utilities (IOUs), including Pacific Gas and Electric Company, San Diego Gas & Electric Company, Southern California Edison Company and Southern California Gas Company, for funding the School Energy Efficiency Stimulus Program (SEESP) administered by the California Energy Commission (CEC). Unspent and uncommitted energy efficiency (EE) funds for program years 2020, 2021 and 2022 constitute a portion of the funds to be transferred to the CEC for administration of the SEESP.

On December 17, 2021, Administrative Law Judge (ALJ) Kao, via email ruling, directed the IOUs to each submit a Tier 2 advice letter no later than April 1, 2023, to provide the amount of program year 2022 unspent and uncommitted funds.

On March 17, 2023, pursuant to Rule 11.6 of the Commission's Rules of Practice and Procedure, the IOUs filed a joint email requesting an extension for the submittal of the

Tier 2 advice letter from April 1 to April 17, 2023. On March 20, 2023, ALJ Kao granted the IOUs' request.

Discussion

Pursuant to ALJ Kao's email ruling, and D.21-01-004 Ordering Paragraph 3, PG&E respectfully submits the EE PY 2022 unspent and uncommitted funds (Table 1) to be disbursed to the CEC for administration of the SEESP. PG&E's PY 2022 unspent and uncommitted funds amount to \$26.9 million.
