RE: [PROJECT NAME,
ADDRESS]

Dear [CUSTOMER NAME]:

We are writing to let you know Pacific Gas and Electric Company (PG&E) will extend its facilities to provide residential gas and electric service to the project address listed above. This letter, including PG&E's tariffs, which are incorporated by reference below, will serve as our contract. As required by the California Public Utilities Commission (CPUC), special facilities will be handled in a separate contract. Per Decision 22-09-026, Residential Customers submitting an application for new gas service on or after July 1, 2023, do not qualify for Allowances, Refunds or Discount Option. Per Decision 23-12-037, Mixed-Fuel New Construction project applications received after July 1, 2024, will not qualify for Allowances, Refunds, or Discount Option. For new applications for Gas Service Extension(s) on or after July 1, 2023, and Mixed-Fuel New Construction projects after January 1, 2025, Applicants must pay PG&E its total estimated installed cost upon contract execution, in advance of PG&E commencing its work. Upon completion of the work and determination of actual costs, PG&E will provide Applicant with a final invoice or refund to account for a true-up to actual costs (excluding Betterment and Utility Convenience). An Applicant's failure to pay a final invoice in a timely manner is a violation of PG&E's Gas Rules 15/16 and may result in discontinuance of service.

Please complete the following three steps to execute this contract.

1 Review the following project cost summary information.

	GAS	ELECTRIC
Total Service Costs	\$	\$
Residential allowance, a CPUC-approved credit applied to the cost of the job	NOT APPLICABLE	-\$
Advance payment credit	-\$	-\$
Subtotal	\$	\$
Total Due (gas and electric)	\$	

All amounts include the Income Tax Component of Contribution (ITCC) PG&E is required to charge customers, where applicable.

2 Review these important terms and conditions.

This single-service extension agreement is allowed under PG&E's tariffs, including Gas and Electric rules 2, 15 and 16; Distribution and Service Extension Agreement-Provisions (Form 62-0982) and General Terms & Conditions for Gas and Electric Extension & Service Construction by Applicant (Form 79-716), all as approved and authorized by the CPUC. This agreement at all times shall be subject to such modifications as the CPUC may direct from time to time in the exercise of its jurisdiction.

You can view PG&E's tariffs online at pge.com/tariffs or contact me directly as indicated below.

3 After completing steps 1 and 2, complete and return the following items to PG&E.

ADDITIONAL INFORMATION

What is the SACAC form?

Under PG&E's Rule 16, you have a choice: you can perform the work yourself, hire a qualified contractor to perform the work or hire PG&E to do the work. We are required by the CPUC to provide you with PG&E's costs.

This form identifies our cost for the refundable service that is PG&E's responsibility to install. PG&E's costs were developed based on your choices within the application and may change if you change that choice.

How do I fill out the SACAC?

If you want to do this work yourself or have a qualified contractor do this work, please enter your estimated costs in the section of the SACAC form entitled "Applicant Costs" or check the box in the section entitled "Applicant's Election Not To Provide Costs," sign and return to PG&E. PG&E will send you a revised agreement by return mail only if you choose to provide your estimated costs.

If you want PG&E to do this work, please check the section "Applicant's Election Not to Provide Costs," sign and return the SACAC form along with a check for the Total Due specified in the table above.

You must return the completed SACAC form to PG&E regardless of who you choose to do the work.

Please follow payment instructions found on your Payment Coupon.
