HG. Emergency Consumer Protections Memorandum Account - Electric (ECPMA-E)

1. PURPOSE: The purpose of the Emergency Consumer Protections Memorandum Account-Electric (ECPMA-E) is to record incremental costs associated with the Emergency Consumer Protection Plan for applicable residential and small business customers in areas where a state of emergency proclamation is issued by the California Governor's Office or the President of the United States due to a disaster that has either resulted in the loss or disruption of the delivery or receipt of utility service and/or resulted in the degradation of the quality of utility service as defined in Resolution M 4833, Resolution E-4899, Decision (D.) 18-08-004 and D.19-07-015. Customers in the county/counties impacted by a disaster are eligible for PG&E's Emergency Consumer Protection Plan, as defined in Rule 1, for a period of one year from the date the proclamation is issued, or until PG&E service is restored. Eligibility for the emergency consumer protection measures for a specific event may also be extended beyond the one-year time period pursuant to a Commission directive (see Gas Rule 1 – Emergency Consumer Protection Plan). (T)

Entries into this memorandum account must be segregated by qualifying event that are described in Rule 1 under Emergency Consumer Protection Plan definition. Events include:
