APPLICABILITY: This schedule is applicable to single-phase and polyphase residential service in single-family dwellings and in flats and apartments separately metered by PG&E, where the applicant qualifies for PG&E's Medical program under the eligibility and certification criteria set forth in Electric Rule 19, Sections B through E. As described in Advice Letter 6688-E, Schedule D-MEDICAL is being implemented in phases. In the initial phase, beginning December 1, 2022, Schedule D-MEDICAL will be available, on an optional basis, to non-net energy metering customers taking service on PG&E's non-tiered time-of-use (TOU) pro-electrification rate, Schedule E-ELEC. In future phases, it will become available to customers taking service on net energy metering and net billing tariffs, and to customers taking service on PG&E's remaining open non-tiered TOU rates (Schedules EV2-A and E-TOU-D).

(N)

A Medical program customer who was (1) taking service on a tiered electric rate schedule that includes a Medical discount prior to the establishment of Schedule D-MEDICAL and (2) who subsequently enrolls into Schedule E-ELEC is eligible to return to its previous tiered rate schedule, so long as that schedule is open to new customers, if the request is made to PG&E before the date exactly one year after the Schedule D-MEDICAL first becomes effective.

TERRITORY: This rate schedule applies everywhere PG&E provides electric service.

RATES: Customers taking service on this rate schedule will receive a 12 percent discount on their total bundled charges on their otherwise applicable rate schedule (except for the California Climate Credit, which will not be discounted). The MEDICAL discount will be calculated for direct access and community choice aggregation customers based on the total charges as if they were subject to bundled service rates. Discounts will be applied as a residual reduction to distribution charges, after D-MEDICAL customers are exempted from the Wildfire Fund Charge rate component.

SPECIAL CONDITIONS:

- 1. OTHERWISE APPLICABLE SCHEDULE:** The Special Conditions of the Customer's otherwise applicable rate schedule will apply to this schedule.
- 2. ELIGIBILITY:** To be eligible to receive D-MEDICAL the applicant must qualify under the criteria set forth in PG&E's Electric Rules 19, Sections B through E, and meet the certification requirements thereof to the satisfaction of PG&E. Qualifying Direct Access, Community Choice Aggregation Service, and Transitional Bundled Service customers on applicable rate schedules are also eligible to take service on Schedule D-MEDICAL. Applicants may qualify for D-MEDICAL at their primary residence only.
