

ELECTRIC SCHEDULE E-EFLIC
ENERGY FINANCING LINE ITEM CHARGE (EFLIC) PILOT

Sheet 1

APPLICABILITY: This Rate Schedule is applicable to electric service to Residential Customers who meet the eligibility criteria specified in Section CUSTOMER ELIGIBILITY below, and receive service under a PG&E electric rate Schedule.

The Energy Financing Line-Item Charge (EFLIC) Pilot facilitates repayment of loans from Participating Lenders to Customers through the Customer's Energy Statement (Bill). The loans between residential Customers and Participating Lenders are used to finance the installation of energy efficiency improvements. Only payments on Eligible Loans from Participating Lenders may be incorporated into a Customer's Bill.

EFLIC is available for loans funded and closed by a Participating Lender through the Energy Efficiency Financing Pilot Program's Residential Energy Efficiency Loan Assistance Pilot (REEL) as directed by the California Public Utilities Commission (CPUC). PG&E will bill for these funded and closed loans for the duration of the loan's enrollment in the program. PG&E may cease billing Customer for Loan Charges before the final loan payment is due to the Participating Lender, as discussed in Section BILLING AND PAYMENT OF LOAN CHARGES below. (T)

PAYMENT OF
LOAN
CHARGES:
(cont'd.)

- 7. Customer Bankruptcy: If a Customer files a petition for bankruptcy protection under the United States Bankruptcy Code, PG&E, upon notice, shall remove all Loan Charges from the Bill. The Participating Lender shall be fully responsible for collecting all further amounts due under the Loan Agreement from the Customer.
- 8. Security Deposit: If Customer has or is required to provide a security deposit to establish or re-establish credit with PG&E in order to connect or reconnect service, the Loan Charges will not be included in the calculation of the security deposit pursuant to Rule 6. The Security Deposit and interest earned on the deposit, if any, will not apply to delinquent or current Loan Charges and Participating Lender will have no claim on or interest in the Security Deposit and interest earned on the deposit, if any.
- 9. Prepayment of Loan or Loan Charges: PG&E is not responsible for collecting, receiving or remitting any amounts to be attributable to prepayment of Customer's Eligible Loan or Loan Charges. If, in accordance with the Loan Agreement, the Customer elects to pay some or all of the outstanding Eligible Loan balance independent of the Loan Charge, the Customer is expected to send such payment directly to the Participating Lender, rather than to PG&E. If PG&E receives notification in accordance with PG&E's procedures for notification from a Customer that Customer's excess payment was intended to pre-pay all or a substantial portion of the Loan balance, PG&E shall return such excess funds to the Customer, pursuant to the processes defined in existing rules, tariffs, and procedures. (T)

- 10. In the event the Customer ceases to be the PG&E Customer of record at the Premises where the EEEMs funded by proceeds from the Eligible Loan are installed, PG&E will have no further obligation to collect the Loan Charges and will discontinue billing for Loan Charges. The obligation to pay the Loan Charge may not be transferred or assigned to the subsequent occupant of the Premise and the Customer remains obligated to pay the Eligible Loan. (T)
- 11. Bill Impacts: Loan Charges may increase the amount of the Bill. The Loan Charges may or may not be offset in whole or in part by a reduction in Customer's energy usage resulting from the installation of EEEMs and Customer shall not be entitled to claim any reduction in Loan Charges based on the extent to which the installed EEEMs achieve their anticipated benefits. The Loan Charges must be paid by Customer whether or not the EEEMs result in a reduction in Customer's energy usage in or Bill savings. PG&E disclaims any warranty including warranty of merchantability or fitness for a particular purpose regarding any EEEMs. (T)

- 13. PG&E may extend payment arrangements as defined by Electric Rule 11 to Customers with Loan Charges on their Bills. Any payment arrangements for Loan Charges will be according to agreements between the Participating Lender and Customer, and will not include involvement by PG&E. (N)
