

Downed Powerline Tips

If you should come across a situation where you have downed power lines across your vehicle, remain in your vehicle then call 911 and PGE at 800-743-5000.

If you should have to leave the vehicle for a fire or other situations, please consider these safety tips.

Open your door.

Stand firmly on the edge of the vehicle.

Cross your arms.

Leap free of the vehicle, making sure you don't touch the vehicle and the ground at the same time, then shuffle.

Step away 30 feet on dry ground, 60 feet on wet ground, making sure your feet don't pass each other on the shuffle.
